INSTRUCTIONS FOR EXECUTING BOND

1. DATE OF EXECUTION AND EFFECTIVE DATE. The officer or employee should not insert the date of execution. That date should be inserted by the surety. (7 Comp. Gen. 461.) The effective date (the date the bond becomes effective and the premium commences, and which may be either prior to or subsequent to the date of execution) must be inserted in the bond at the time of execution by the officer or employee, otherwise known as the Principal. The effective date of first bond should correspond with the date of entrance upon duty requiring the giving of bond.
2. NAME AND RESIDENCE OF PRINCIPAL. The name, including first name, middle initial or initials, if any, and last name (or initial, middle name, and last name), of the Principal, together with his residence address, by street, number, city, and State, must be given in the first paragraph of bond before execution by the Principal. The name and address should be printed, typewritten, or otherwise clearly inserted.
3. SIGNATURE AND SEAL OF PRINCIPAL AND SURETY. The Principal must sign the bond at the foot thereof to correspond exactly with his name as shown in the first paragraph of the bond. The corporate surety must sign and affix its corporate seal.
4. WITNESSES. The signature of the Principal and Surety must each be made in the presence of two witnesses. The signatures of the witnesses must appear in the appropriate places with their full residence addresses and their names should be typed or printed under the signatures.
5. ERRORS, ERASURES, ET CETERA. Care should be exercised in the execution of the bond to avoid erasures and corrections. If, however, a correction should be necessary, and it is impracticable to obtain another bond form, a separate notation should be made on the margin of the bond, setting forth each change or correction, which statement should be signed by the Principal and Surety. For example: "The change in the address, line 1, to 865 First Street (or recite other change), was made with full knowledge and consent of the undersigned (Surety)." The corporate surety must affix its seal to such notation.
6. SURETIES. Treasury Department Form 356 lists the corporate surety companies holding certificates of authority from the Secretary of the Treasury as sureties acceptable on Federal Bonds. (For Ser. Regs. 1-7.)
7. PENAL SUM. The penal sum shall be \$5,000, the maximum penal sum obtainable for a minimum premium charge, unless otherwise specified in individual cases. (For Ser. Regs. 1-7.)
8. PAYMENT OF PREMIUM. Section 14 of Title 6 of the United States Code provides that "The United States shall not pay any part of the premium or other cost of furnishing a bond required by law or otherwise of any officer or employee of the United States."
9. BONDS TO BE SENT TO DEPARTMENT OF STATE. When executed by the Principal the bond should be forwarded to the Division of Foreign Service Administration of the Department of State for forwarding to the surety. If no surety has been indicated the bond will be forwarded for execution by one of the bonding companies approved by the Secretary of State as acceptable surety on such bonds.
